

Parade of Checks DCON 2015

Has your club fundraised for The Eliminate Project this year?

The Parade of Checks is your club's chance to show the district how much you have raised for Eliminate. Each club will have 1 student representative make the announcement of the club name and how much money was raised. The representative will then be able to present the check to District Kiwanis Family Leaders and shake their hands. **The Parade of Checks will take place Friday Night during opening session.**
