

THIRSTY 30 CHECKLIST

Thirsty 30 is an epic 30-day fundraiser for clean water. This fundraiser is one where EVERY member participates. See below for step-by-step instructions on how to complete the process.

- Count the number of Key Clubbers you have in your group (Ex: 42 Key Clubbers).
- Get one envelope for each Key Clubber (Ex: If you have 42 Key Clubbers, you will need 42 envelopes).
- Number each envelope 1-however many Key Clubbers you have (Ex: 1,2,3,4,5,...,40,41,42).
- Have each Key Clubber choose an envelope with a number on it. That number represents the dollar amount that the respective member is committed to raising in 30 days (Ex: If I choose the envelope with a 27 on it, I am committed to filling that envelope with \$27 within 30 days).
- Write the name of each Key Club member down and the envelope number they took (See attached sheet to help track envelopes and members).
- Have a drop off location (must be a secure location) at school where members can bring back their envelopes once filled.
- After 30 days, ensure all your envelopes have been collected with their corresponding donations.
- Send in the envelopes/donations in a big yellow envelope with the name of your Key Club to:
